## Dine

Exquisite culinary experiences are also on the menu and cosmopolitan Dubai is the backdrop for a culinary journey around the globe that blends contemporary Armani style with a novel approach to world cuisine.

Our acclaimed collection of award-winning restaurants take you from the signature flavours of Italy at Armani/Ristorante and modern regional Indian cuisine at Armani/Amal to Mediterranean favourites at Armani/Mediterraneo, fashionably different Japanese dining at Armani/Hashi and the European accents of Armani/Deli. And for an intimate rendezvous or after-dark fun, the city's social set heads for Armani/Privé, our late night VIP lounge.

Stunning restaurant interiors mark the Armani dining experience out as an unforgettable occasion, whatever the location, and guests can also enjoy the relaxed al fresco setting of each restaurant's landscaped terrace or balcony, set against the dramatic backdrop of Downtown Dubai and The Dubai Fountain.
