

INFINITE LUXURY RESTAURANT AND BAR

AT KATA ROCKS

Tucked into the rocks above Kata Point, The Infinite Luxury Restaurant and Bar is proud to showcase its premier location that makes it the top sunset venue for drinking and dining in Phuket.

Its contemporary, chic design has also quickly established it as Phuket's best wine bar and tapas lounge for chilling out or entertaining guests.

The restaurant uses only the finest products and freshest produce available. Its menu is a culinary gem infused with a modern Mediterranean DNA and Australasian accent, finished with a hint of Thai flavours.

This diversity creates endless dining and drinking options from sunset cocktails and tapas shared with close friends, light and healthy lunch dishes, or exquisite dinners for two or more in the evening.

KATA ROCKS SKY VILLA PANTRY

The *'Sky Villa Pantry'* concept places an amazing array of gourmet food and beverage items at your fingertips. Use this to take the edge off your appetite throughout the day or for a cheeky late night snack.

Our sommelier has handpicked a selection of wines, spirits, premium juices and beverages to compliment the gourmet crisps, Thai snacks, nuts, crackers, organic dried fruits, sweets, gelato or ice cream on offer.

The chef's 'connoisseur selection' of antipasto platters, seafood, charcuterie, dips, homemade jams and chutneys are also available as the perfect complement to the Sky Villa Pantry range.

DESTINATION DINING

A meal at Kata Rocks is not limited only to the restaurant or your Sky Villa. Romantic, seaside candle lit dining *'on the rocks'* fronting the resort is a favourite with honeymooners or couples celebrating special occasions and available only at Kata Rocks by Infinite Luxury.
