

*“Elegant simplicity –  
it is the Marbella Club philosophy.  
It is our way of life.”*

Prince Alfonso von Hohenlohe

MARBELLA CLUB

*“It is not just the scent of jasmine, orange blossoms or bougainvillea... it is the seductive blend of these fragrances that creates the Marbella Aroma.”*

Prince Alfonso von Hohenlohe

Our destination beach resort didn't start life as a luxury hotel. In fact, it feels as much of a retreat today as when Prince Alfonso's father Maximiliano fell for the sea-facing farmhouse here, just under a century ago. The hotel has evolved from a characterful finca into a world-renowned boutique resort, but the orange, lemon, avocado, fig and banana trees continue to bring colour and perfume to the acres of tranquil subtropical gardens, which flourish right up to the sandy shores of the Mediterranean.

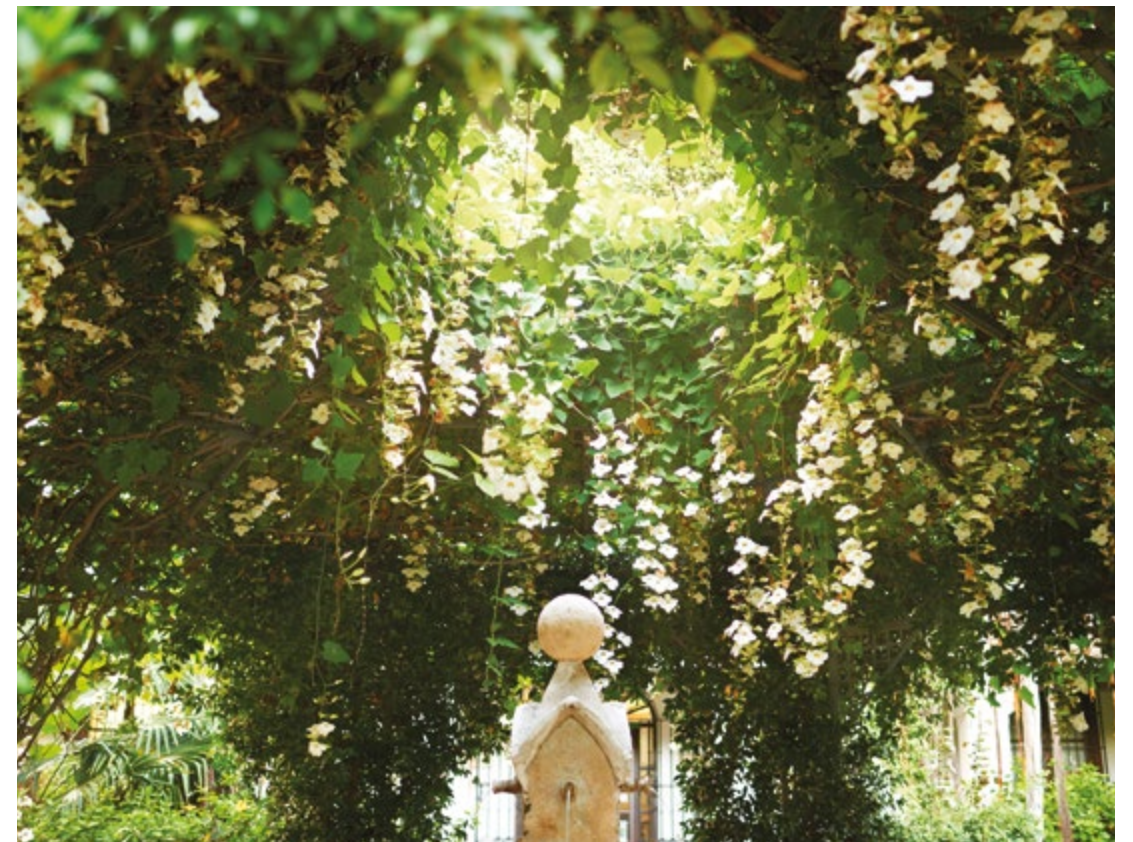

## ROOMS, SUITES & VILLAS

*“One does not need gold faucets and Persian rugs... luxury is peaceful rooms, with the highest comfort, surrounded by lovely gardens and good company.”*

Prince Alfonso von Hohenlohe

All 37 guestrooms and 78 elegant suites have their own furnished outdoor terraces that either have sea views or look out across the exotic jasmine-scented gardens so lovingly enhanced by the well-travelled

Prince. We have two-, three- and five-bedroom Andalusian-style villas, each exclusive and discreet, ideal for families or groups seeking private entertainment space with elegant interiors and authentic local architecture. Suited to the most special of occasions and the most discerning of residents, our palatial six-suite Villa del Mar is adorned with hand-woven silk carpets and collectable artworks, with a private infinity pool and direct access to the beach. As with all of our spaces, the villa promises timeless glamour, home-from-home relaxation and nothing-is-too-much-trouble service.

KID'S CLUB

*“Children enrich every family experience.”*

Prince Alfonso von Hohenlohe

In keeping with the spirit of the Marbella Club, our stylish Kid's Club is set in the spectacular grounds of Prince Alfonso's original villa, at the heart of the hotel. Madrid design company Minimec has created a unique interactive and educational environment for those aged 4 to 14 – smaller children are welcome when accompanied by an adult. Staffed by inspiring qualified teachers, the dance studio, music room, library, art and pottery area – as well as a computer room, an enchanted forest, a vegetable garden and an open kitchen – keep younger guests enthused and entertained, 365 days a year.

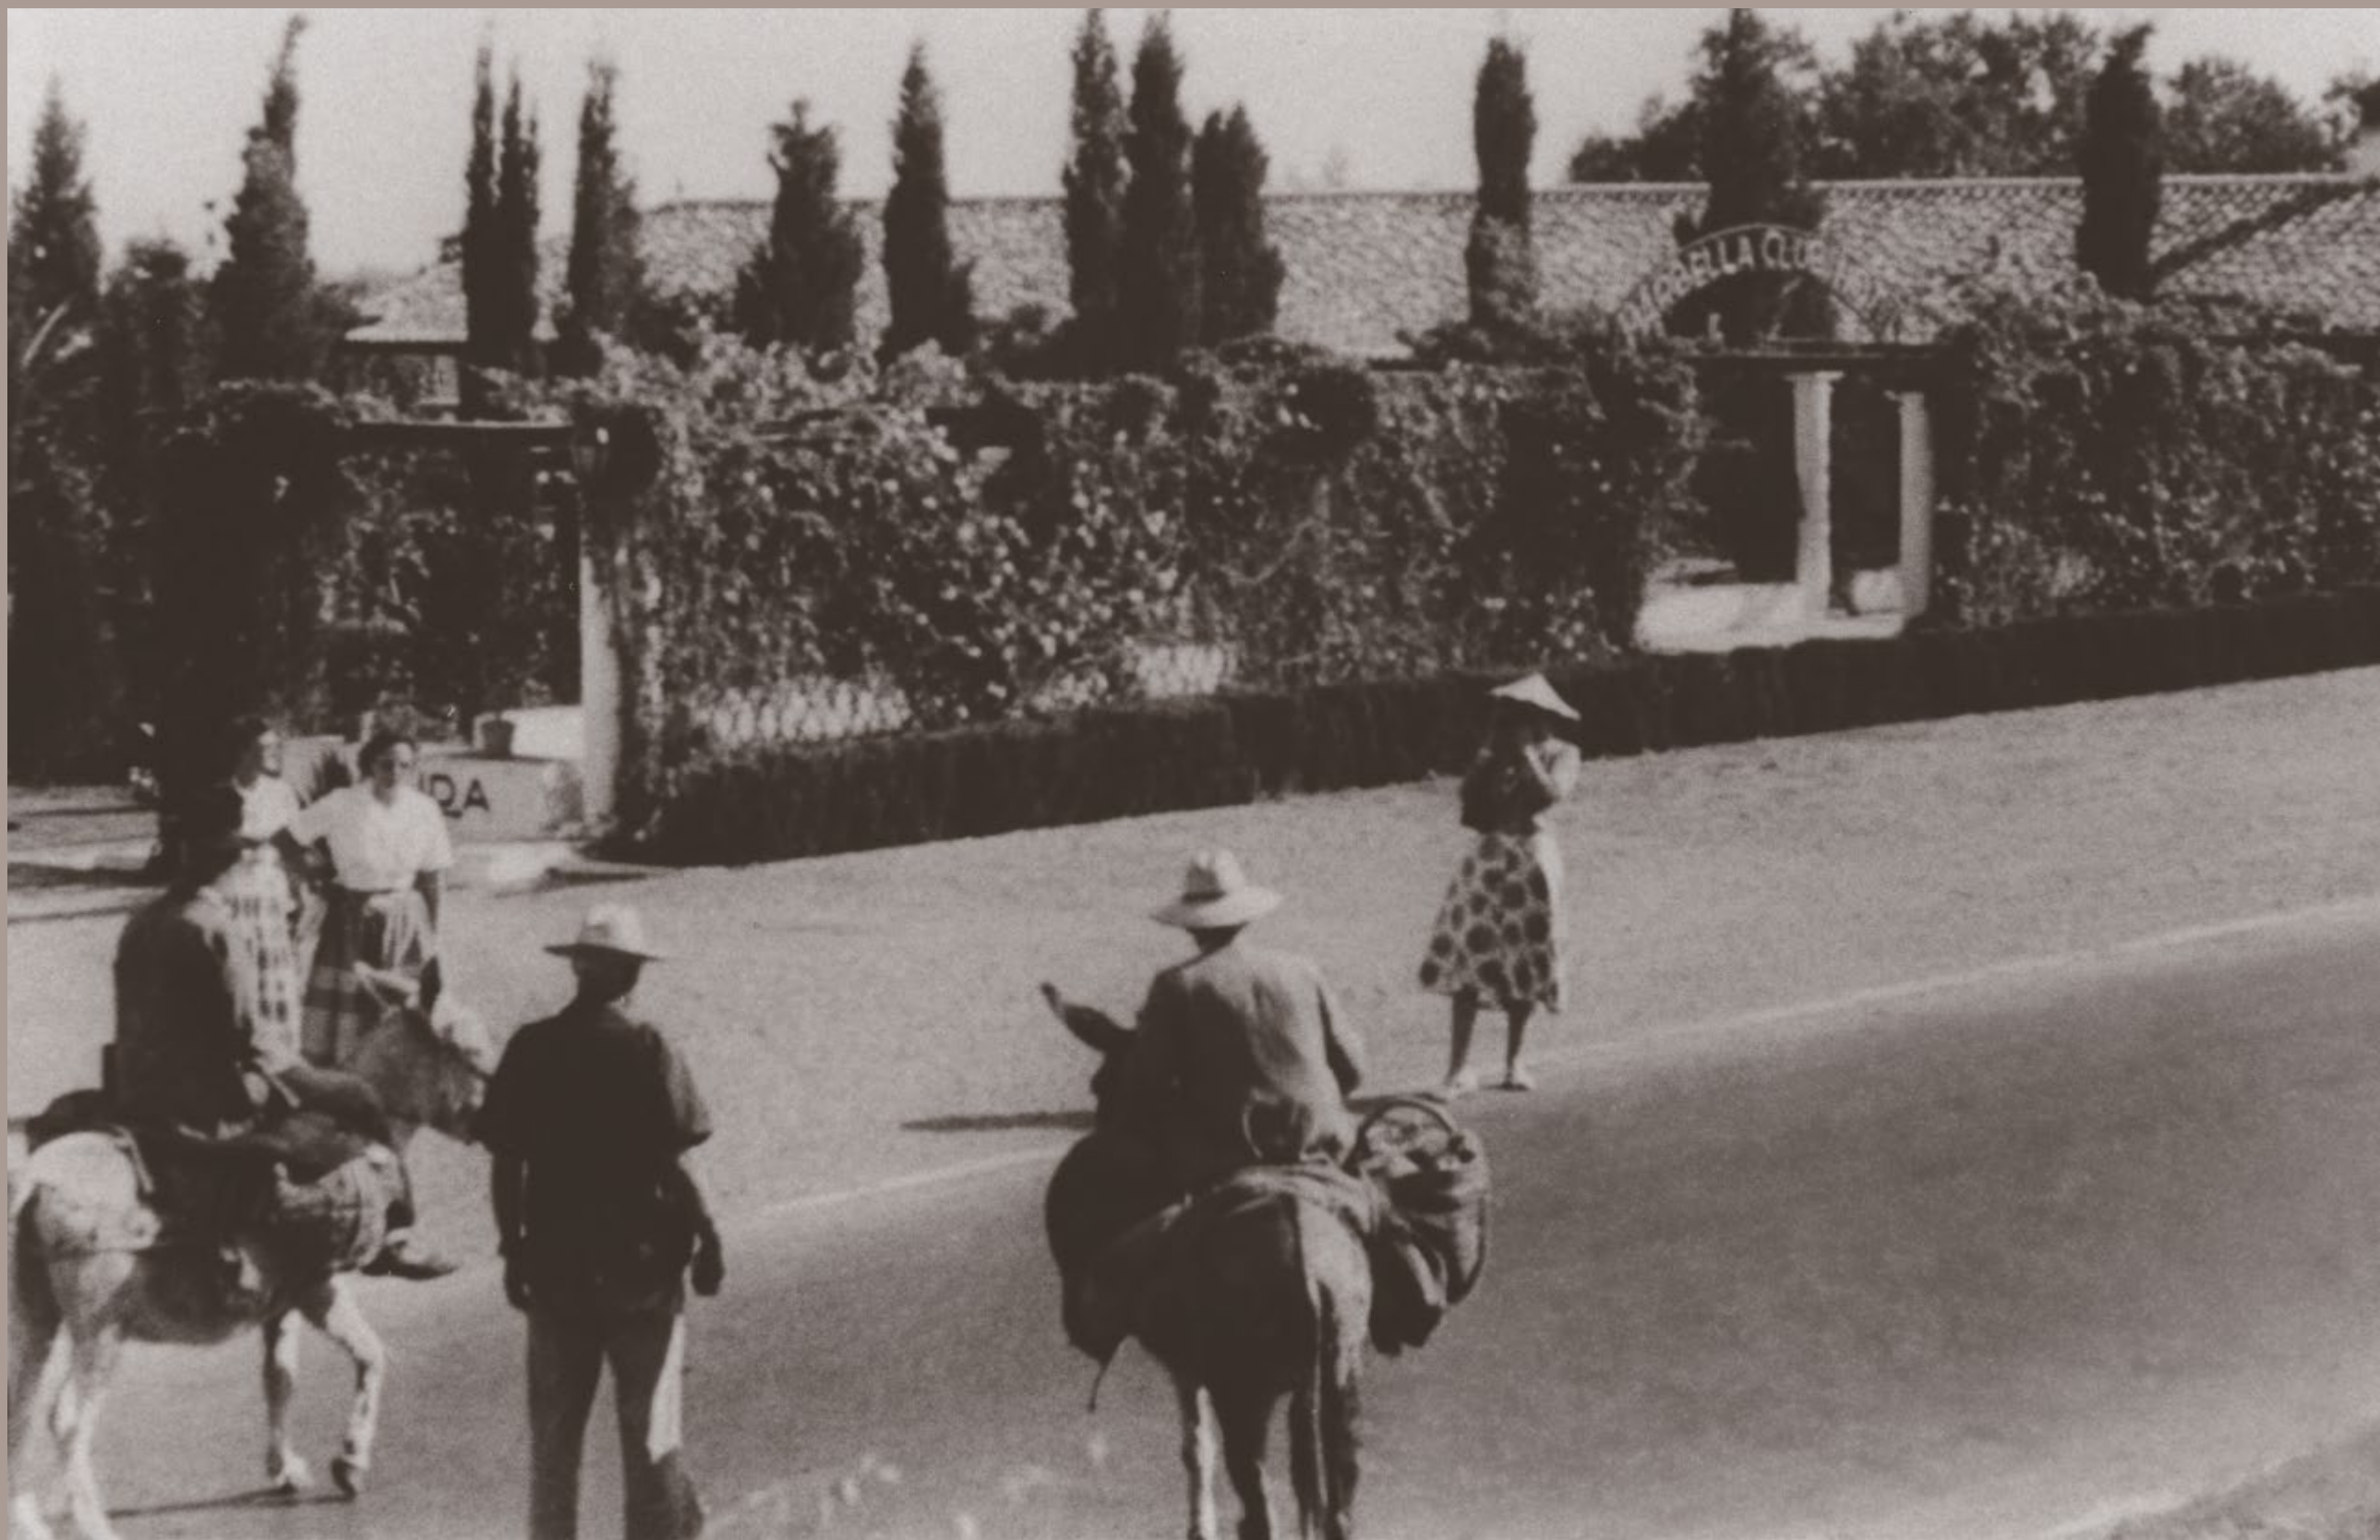

## RESTAURANTS & BARS

*“Being in the Marbella Club kitchens is a thrill and a privilege, and every dish we create demonstrates the pride and passion of our team. Combining the very best seasonal ingredients with a commitment to classic dishes, we are devoted to crafting exceptional cuisine.”*

Chef Juan Gálvez

Expect the freshest of flavours and highest-quality ingredients in the Grill Restaurant, MC Café, MC Beach, Garden Pool and the Golf Club House restaurant. Our talented chef carefully creates all of the menus to ensure each has its own personality, suits the most discerning of palates, and matches every mood. Candlelit dinners in our gardens have been declared some of the most romantic in the world, and the steps-from-the-sea Beach Club is legendary for its indulgent lunchtime buffet. Guests also love our unique wine selection; our sommelier is always happy to match a vintage to every taste, whatever your personal preference. We take pride in providing superlative service, so you always feel relaxed.

Designer Jean-Pierre Martel has preserved the art deco charm of the Champagne Room, befitting its sophisticated vintages and clientele.

The Grill is a culinary landmark for its traditional local and international dishes served with panache in a serenely romantic atmosphere.

Sip sangria in swimwear by our heated garden pool or pause for lunch with friends or family amid palms, ferns and lavender.

In summer our chic chiringuito shack captures the essence of Spanish beach life and treats you to the freshest of seafood.

THALASSO SPA

*“Sanus per Aquum – the Latin term describing the ancient Roman therapy using thermal springs and seawater; modern thalassotherapy continues this time-tested tradition of combining the curative qualities of seawater, seaweed and heat.”*

Let the healing powers of the sea work their magic in our spacious Thalasso Spa with its state-of-the-art facilities, including hammam steam baths, wood-burning Finnish saunas and 12 treatment rooms.

Stress reduction, improved circulation, muscular relaxation and a boosted immune system are just a few of the benefits of our thalasso and beauty therapies.

The Mediterranean-view dynamic saltwater pool in our award-winning wellness centre draws pure mineral-rich waters directly from the sea.

Thalasso Spa's dedicated and results-focused Relaxation, Wellbeing, Detox and Rejuvenation programmes attract clients from around the world.

GOLF & RIDING

*“Marbella is heavenly – the climate, the sea,  
the mountains... the atmosphere.”*

Prince Alfonso von Hohenlohe

Our 18-hole golf course designed by Dave Thomas is only a short distance from the hotel in an area of natural beauty. Here in the sun-blessed Costa del Sol, the exclusive Marbella Club Golf Resort enjoys unrivalled views from the mountains to the Mediterranean and out to Gibraltar, across to the North African coastline.

Explore the peaceful mountain landscape of Benahavís on horseback, just 20 minutes from our hotel. Host of the Spanish Show Jumping Championships, the Marbella Club Golf Resort Riding Stables offers a first-class array of activities, from treks through the soul-stirring countryside to training for high-level competition.
